[User manual Lexus RX 300 \(2000\) \(English\)](#)

The Lexus RX 300 is a mid-size luxury SUV that was manufactured and sold by Lexus, the luxury vehicle division of Toyota, in the year 2000. This SUV features a sleek and stylish exterior design, with a prominent grille and smooth lines.

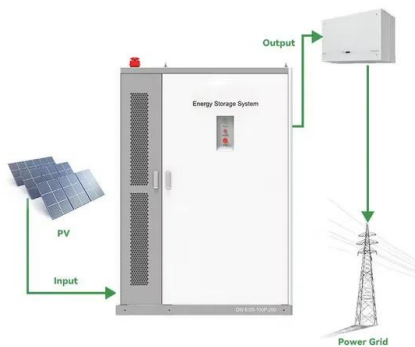

Power Steering

I have a power steering issue in my 99 RX300. The steering is very loose. As I am driving on the highway I can easily turn the wheel about an 1/8 to a 1/4 turn before the steering "catches" and begins to direct my vehicle. The wheel feels very loose. I DO however still have power when the linkage

Lexus RX300 Power Steering Pressure Switch Replacement ...

The power steering pressure switch is located either at the power steering pump or the gearbox. It's an on/off type of switch that communicates with the vehicle's computer by sending information about the fluid pressure in the system, and if necessary, the computer adjusts the engine's operation to account for increased demand.
