

275W photovoltaic panel price

Overview

UKSOL have a range of solar modules to choose from that include monocrystalline, polycrystalline, bifacial (PERC) panels and half-cut cells in a number of power outputs. All UKSOL solar modules comes with a lengthy 12 year warranty and guarantee efficiency of at least 80.6% for 30 years.

This range of solar panels offers power outputs of 300W, 305W and 310W, achieving efficiency ratings of up to 19.1%.

The Half Cell range of solar panels from UKSOL have solar cells that are cut in half which increases performance. This means that while other UKSOL.

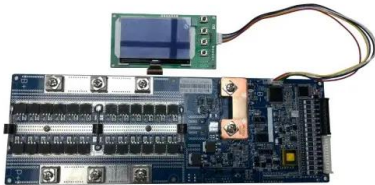

The UKS-6M30 is another range of bifacial solar panels but aren't as large in terms of their physical dimensions and weigh 4.5kg less than the UKS-6M modules.

These monocrystalline solar panels are bifacial, which means they're able to absorb the sun's energy from the back as well as the front to.
