

3 4w universal solar power pack

Overview

What is the Moultrie 3.4w universal solar power pack?

Experience unmatched power and versatility with the Moultrie 3.4W Universal Solar Power Pack, a game-changing solution for your trail camera, game camera, and hunting gear. This innovative solar panel offers up to 3x more power than standard panels, ensuring your devices stay charged, even in challenging conditions.

What is a solar power pack?

The 3.4 SOLAR POWER PACK provides uninterrupted power to cellular trail cameras. This solar power pack generates 3x more power than standard solar panels, ensuring your camera has continuous power, while eliminating the need for AA batteries.

How does a solar power pack work?

This solar power pack generates 3x more power than standard solar panels, ensuring your camera has continuous power, while eliminating the need for AA batteries. With its built-in power bank, it can store enough energy to last through approximately 9 days without any sun, making it reliable even on cloudy days.

How much power does a Moultrie solar panel have?

Moultrie Universal Solar Panel Power Pack, 3.4W, for Edge, Edge Pro Cellular Trail Cameras - Uninterrupted Power, 3X Power, Easy Mounting Available at a lower price from other sellers that may not offer free Prime shipping. Never Run Out of Power: Say goodbye to constantly replacing AAs.

Can a solar power pack charge a 12V battery?

A: No, this panel will only charge devices with a 12V external power output. Q: What is the best way to mount my Solar Power Pack?

A: Mounting is determined by the location, but facing your panel south is best, and the angle of the panel should match your latitude.

Why should you use a universal solar panel?

Don't let cloudy, overcast days of winter deter you; the increased rechargeable battery capacity ensures your equipment remains operational. Whether you use it for your cellular trail cameras, hunting and trail cameras, or Moultrie Edge Cellular Trail Camera, this universal solar panel is designed to be your all-in-one power solution.
