

# **340w photovoltaic panel wholesale**

## Overview

---

What are 340 watt solar panels?

The 340 Watt solar panels that we currently offer are 96 cell solar panels that are very similar to 60 cell solar panels due to the use of smaller solar cells. 340 Watt solar panels we offer have eight solar cells going across and 12 solar cells going down. The dimensions of a 340 Watt solar panel are about 62.5" x 41.5" x 1.6".

What is the warranty on a 340W mono panel?

Please visit our panel characteristics guide for an explanation of the above data. 340W all black mono panel with 20 year module warranty and 25 year performance warranty.

What is a 340W half cut panel?

Log in or register for trade discounts! BUY! Eurener's 340W all black half cut panel is a high output and high efficiency panel. The Spanish manufacturer uses a highly developed fabrication process, including camera verification of welding, to ensure the high quality and consistency of the panels they produce.

Who makes vbhn325sa17 solar modules?

With the new VBHN325SA17, Panasonic re-established its position among leading solar Module manufacturers. Panasonic employs strict materials selection and qualified manufacturing processes. A vertically integrated factory allows for exhaustive quality assessments at every step of production. The resulting modules are IEC certified by JET.
