Are Costco batteries good?

If you are a Costco member needing good batteries for a reasonable price, you could do much worse than the Kirkland Signature AA and AAA batteries. At \$17.99 for 48 batteries, that's a deal well worth taking, especially compared to Costco's \$17.99 for 40 Duracell batteries.

How much does a Kirkland battery cost?

Kirkland Signature only offers the two most common battery types, Alkaline AA and AAA, and both types come in packs of 48 batteries for \$17.99 apiece. The Kirkland and Duracell batteries are 1.5V batteries with a shelf life of 12 years. That's important because, with this many batteries, they could sit around for a while.
