

Acdelco lithium battery

Overview

Who are ACDelco batteries?

ACDelco are known as a quality affordable car, truck and marine battery maker, innovative battery designs and quality workmanship in their batteries construction mean ACDelco can withstand harsh Australian Conditions.

Are ACDelco® commercial batteries a good choice?

These high performance Calcium/ Calcium batteries are designed to meet or exceed original equipment (OE) specifications of all new car manufacturers from around the Globe. ACDelco® Commercial batteries are also the right choice for all commercial applications including transport, agricultural and earthmoving industries.

What is a ACDelco advantage battery?

The Advantage range has many of the key features of the ACDelco® Premium range and is a quality alternative where a standard duty replacement battery is required. The Advantage range is also available in marine and commercial applications.

What are ACDelco battery sizes?

Group Size (BCI): 140R; Cold Cranking Amps (CCA): 410 CCA; Cranking Amps (CA): 540 CA; Voltage (V): 12 Volt; Length (in): 8-1/8 Inch; Width (in): 6-7/8 Inch; Height (in): 7-1/2 Inch; ACDelco Gold (Professional) Silver Vehicle Batteries are a high quality alternative to Original Equipment (OE) parts.

What is a ACDelco HCM battery?

ACDelco HCM Series batteries are designed and tested for use in demanding marine and recreational applications. Accessories like satellite navigation, fridges, communications and many of the necessary creature comforts all place heavier continuous loads on your battery than ever before.

What is ACDelco gold (professional) silver battery?

ACDelco Gold (Professional) Silver Batteries have an impact- and break-resistant plastic case for durability, including robust separator envelopes to help with auto battery life. Intelligent use of lead and acid provides an optimal blend of cold cranking amps and reserve capacity for outstanding performance for automotive applications.
