

Acopower 200 watt solar panel

Acopower 200 watt solar panel

[200 watt solar panels \(ACOPOWER \)](#)

Well you took a hair comb to these panels, lol. They look like decent panels for the price paid. I did see the silicon job around the corners but I'm not too concerned. More importantly is that Acopower looks to be a legit business and the ability to warranty the panels

ACOPower 200W 12V 20A Monocrystalline Solar Panel Kit
