How do I add a WeChat ID to my account?

Your friends can try to add your WeChat by searching your WeChat ID. Set a WeChat ID from the Me tab > Settings > Account Security > WeChat ID. After setting a WeChat ID, you can find it in Me. Keep in mind that once you have set your WeChat ID, you will not be able to change it.

How do I Change my WeChat ID?

To change your ID, simply go to the "Me" section in WeChat, then tap the top-right arrow and then tap WeChat ID > Change WeChat ID. Note that the ID must be between 6-20 characters and must begin with a letter, but may contain letters, numbers, underscores, and dashes.

How many characters should a WeChat ID be?

Note that the ID must be between 6-20 characters and must begin with a letter, but may contain letters, numbers, underscores, and dashes. Since April, WeChat's subscription feed has moved away from the straightforward real-time display method that you see in WeChat Moments.

Can WeChat articles be grouped into categories?

In a related change, WeChat articles now allow official accounts to group articles into categories and link to the category list at the beginning of the article. WeChat has been on a roll lately in its effort to keep up with AliPay.

What is a WeChat QR code & how does it work?

The main function of these QR codes is for sales associates to print them out and put them in their name tags for customers to easily scan them during in-store visits. Another scenario is embedding the QR code into the brand's WeChat Official Account and Mini Program, particularly within the Store Locator section.
