

# **Advanced energy solar inverters**

## Overview

---

Who is AE solar energy?

AE Solar Energy is a US based company. The AE 500TX is backed with an industry-leading, 10-year, nationwide warranty and a comprehensive optional 20-year warranty; plus the most responsive service and support team in the business.

What is advanced energy AE 500nx-he?

With the best in power-class 98% CEC efficiency rating, Advanced Energy's AE 500NX-HE generates more power and value for project developers, owners and financiers.

What is AE 500nx?

AE 500NX (Formerly known as Solaron 500) Reliable inverter solution with higher efficiency for large commercial and utility-scale projects Achieve higher, faster PV system return on investment (ROI) for large commercial and utility-scale projects with Advanced Energy's AE 500NX inverter.

What is a LCOE solar inverter?

This highly efficient inverter is specifically designed to meet the requirements of large commercial and utility-scale solar power plants with the lowest levelized cost of energy (LCOE) investors demand and expect.

Does AE solar energy have a warranty?

AE Solar Energy is a US based company. The AE 500NX-HE is backed with a complete 5-year warranty so there are no surprises during the warranty period. An extended 20-year warranty is available as an option. The AE warranty options provide peace of mind and are backed by the best service and support team in the business.

How reliable is AE 500nx-he?

The AE 500NX-HE runs reliably day in and day out with a NEMA 3R construction and a completely sealed electronics cabinet that is designed to NEMA 4 standards and is continuously cooled by a self-contained, liquid-to-air system. - included at no additional charge. AE Solar Energy is a US based company.
