Anime with best power systems

Best magic/power system you have seen in an anime? : r/anime

Soft Magic System: I actually cannot think of one just because how much blatant overused this is in anime/manga. All for the spectacle with almost no substance the more it's portrayed. Don't get me wrong there are good soft magic systems. But damn the way it's

[The ten best anime power systems](#)

There's a reason why we always gravitate to the Shonen side of the animation genre. It's the power fantasy, the sheer unbridled joy of seeing characters engage in new forms of combat that was born from their desire to become stronger. Over the years, a ton of systems have been invented for various anime series and their manga source material. Sometimes wild, ...
