

# **Average ESS container price per 10MW in Mauritius**

## Overview

---

What affects the cost of shipping to Mauritius?

The destination port: The destination port affects the cost of shipping cargo because port fees can vary. The main shipping port of Mauritius is Port Louis. The peak period for shipping items to Mauritius is between August and October. Shipping during this period affects the cost of shipping. Which Size of Shipping Container Works Best for Me?

.

Which is better LCL or FCL shipping to Mauritius?

FCL shipping is best for transporting lots of boxes, pallets and anything which will require a full container shipping to Mauritius of up to 45,000lbs. LCL shipping is more affordable way to transport less than container load shipments to Mauritius. International house moving to Mauritius services – quick, easy and cheap.

What are the import tariffs in Mauritius?

They are vital in providing much-needed cover for your cargo. Custom fees: Mauritius has import tariffs ranging from 0% to 30%, depending on the item. There is also a 15% value-added tax on all imported goods.

What is the best way to ship to Mauritius?

As an island nation, Mauritius only has access to two forms of freight transportation. You can opt to ship by air freight or ocean freight. Which one works best for you will depend on what matters most: cost or time. If time is of the essence and the total price isn't your biggest concern, opt for air freight transportation.

How much does container shipping cost?

Asia-N. Europe prices (FBX11 Weekly) increased 14% to \$3,384/FEU. Asia-

Mediterranean prices (FBX13 Weekly) fell 6% to \$3,967/FEU. Use the cost calculator and keep up to date with container shipping pricing trends to get a better idea of what your total landed costs will be. China - N. America weekly prices increased 5% to \$5.57/kg.
