

Beard trimmer lithium ion battery

Overview

What is a lithium ion mens beard trimmer?

The Wahl® USA Lithium Ion® mens beard trimmer contains the most advanced rechargeable battery technology available. It's lighter weight, has almost no charge loss in storage, is environmentally smart, and has no memory issues.

What is included in a beard trimmer?

Rechargeable trimmer, trimmer head, ear/nose trimming head, precision detail head, 6-position guide, 3 stubble guides, 10-position guide, comb, storage pouch, charger, cleaning brush, blade oil, English/Spanish instructions. The Wahl® USA Lithium Ion® mens beard trimmer contains the most advanced rechargeable battery technology available.

What are the best beard trimmers?

The Wahl Stainless Steel Lithium series has been around since 2011, and remains one of the sleekest, best-looking beard trimmers available. As the name suggests, it has a stainless steel body as well as stainless steel blades. It was also launched as a showcase for the now-ubiquitous lithium ion battery tech, and can still outlast its rivals.

How long does a beard trimmer last?

Cordless Rechargeable - Beard trimmer for men is equipped with a long-running lithium-ion rechargeable battery that lasts up to 3.5 hours on a full 1-hour charge and has a 1-minute quick charge for 3 minutes of use. Interchangeable Trimmer Heads - T-Blade for beards and mustache trimming, haircut touchups, body grooming, and detailing.

What is a lithium Trimmer?

The Wahl Lithium Trimmer is all you need to keep your facial hair looking great. This kit gives you Wahl's Lithium Ion Power - with 2 times the cutting power of our standard rechargeable trimmers, a 1 minute quick charge for

quick grooming needs and up to 3.5 hours of run time on a full 1.5 hour charge.

Why should you buy a lithium ion Trimmer & grooming kit?

This trimmer is the perfect gift for you or the man in your life. Shop Wahl's Lithium-Ion All-In-One Rechargeable Trimmer/Grooming Kit with precision blade attachments paired with a powerful motor for a clean cut every time.

Wahl Lithium Ion Trimmer Lithium Ion Battery Replacement

Great guide but I made the mistake of buying just a standard 3.7v 750mAh battery to try and fit into the trimmer. The battery in the trimmer has metal terminals "stamped" to each end, so the terminals can't be unsoldered from the battery. I was hoping to just
