

Can I use a locker in the bathroom

Overview

Can transgender people use locker rooms?

The policies shown in this map prohibit transgender people from using bathrooms and facilities—such as locker rooms, shower rooms, changing rooms, and other sex-segregated spaces—according to their gender identity. Some of these policies apply to K-12 school settings, while others apply more broadly to government-owned buildings and spaces.

Can a school have a restroom & locker room?

A school in California may maintain separate restroom and locker room facilities for male and female students. However, students shall have access to the restroom and locker room that corresponds to their gender identity asserted at school.

Should students have access to locker rooms?

All students should have access to locker rooms, bathrooms, and shower facilities that are safe, comfortable, and convenient. Absent a concern for safety, schools should permit a student to use the restrooms or locker rooms for which they identify.

Why are restrooms and locker room policies so important?

Murchison explains why restrooms and locker room policies are so critical and outlines steps that schools, parents, and physicians can take to create more inclusive environments for transgender and gender-nonbinary adolescents.

Can a transgender person use a locker room in Ohio?

The new law will require K-12 and college students to use bathrooms and locker rooms that match their sex assigned at birth Gov. Mike DeWine signed a bill to prohibit transgender Ohioans from using bathrooms that align with their gender identity, according to Republican lawmakers.

Are restrooms and locker rooms a hot button issue?

One is that for all youth, restrooms and locker rooms at school tend to be an unsupervised space, and so they're a space where harassment may take place. And another is that this has become- when it comes to trans and non-binary kids, restrooms and locker rooms have become a very politicized hot button issue.
