## Overview

---

Who is Chint Power Systems Americas?

Chint Power Systems Americas | 10,160 followers on LinkedIn. Creating Greater Solutions for Clean Energy | CPS America is your U.S.-based supplier for 3-phase string inverters for Commercial, Industrial and Utility-Scale projects.

Is Chint power bringing its manufacturing to the United States?

And while it is unclear if that is part of the motivation or not, today Chint Power announced that its subsidiary CPS America is actively engaged in bringing a portion of its manufacturing to the United States.

Are Chint inverters ul 1741 certified?

APsystems announced the new Chint three-phase 25-kW 208 VAC inverter is now listed on Sunspec's Photovoltaic Rapid Shutdown System (PVRSS) certification to the UL 1741 standard. That brings the total of Chint inverter models tested by CSA and certified to be used with APsmart's PVRSS solutions to five.
