

Clear energy solutions

Overview

Who is clear energy solutions?

Welcome to Clear Energy Solutions, where we care for your home as if it were our own. Our team of experts have a combined 75 plus years of experience in home remodeling and energy efficiency. Maintaining and protecting your home is important, and we specialize in helping our clients do just that!.

What is clearenergy?

ClearEnergy is a group of dedicated individuals obsessed with providing affordable decentralized energy to the world. We know that by decentralizing the energy grid and giving control back to communities around the world we can make an unprecedented difference in the lives and livelihoods of people spanning every corner of the planet.

Who is clear power solutions?

Clear Power Solutions Inc is a privately held corporation. We specialize in DC power solutions for RVs, boats, cottages and more, as well as complete solar energy systems. We also have the knowledge and equipment to build and rebuild battery packs. We also have a full range of telecom power and solar services.

Who is clear Business Energy?

Clear Business Energy operates under the Verastar Group, a company founded in 1998. They claim their mission throughout the years has been to simplify the lives of small businesses. Initially established as a water provider in Scotland, Clear Business has steadily expanded into new markets.

What services does Clear Business Energy offer?

Clear Business Energy offer a comprehensive suite of services, including Green Electricity, Gas, and Water across both England and Scotland, along with Phone Lines, Broadband, Mobile, and Insurance (facilitated by their

sibling company, The Insurance Octopus). All of these monthly services are conveniently consolidated into a single bill.

What does clear energy do?

Clear Energy's experts leverage decades of experience to deliver industry-leading oilfield construction services in Texas, Louisiana, New Mexico and Oklahoma.
