

Demolition compensation photovoltaic panels

Overview

There are several factors that determine if you are entitled to file a claim for compensation and they are given as follows: 1. During sales discussions, you were given incorrect information about the amount of money you could earn or save and/or the performance of the solar panels. 2. You paid a deposit or.

If you believe you were pressurised or misled into buying solar panels, one of the two following compensation routes may be applicable: .

When you've made up your mind to file for compensation, you will have to submit some important information that will be used as evidence, and they could include the following: 1. A copy of the solar panel company's website 2.

Making a claim is your right if you were mis-sold solar panels and if you'd like to get your claim started use the form below to arrange a free, no-obligation call from a claims advisor today.

Can I claim compensation for mis-sold solar panels?

If you feel you were mis-sold solar panels for your home you could claim compensation. Back in 2019, it was reported that the Financial Ombudsman Service had around 2000 complaints from unhappy customers who felt they had been mis-sold their solar panels, with more coming in every week.

Can you get compensation if your solar panels are mis-selling?

If your solar panels are not reducing your electricity bills or providing you with the financial subsidies that you were originally promised by the company who sold them to you, you may be eligible for compensation. The solar panel industry is yet another of those currently embroiled in a mis-selling scandal.

Can I make a claim for mis sold solar panels?

Our mis-sold solar panels solicitors can handle every aspect of your claim on your behalf. We may even be able to make a claim if the company which sold you the panels has gone out of business. Am I eligible to make a claim for mis sold solar panels?

Below are some factors which may make you eligible for a compensation claim:.

Can I claim solar panels if a company closed down?

This means you may be able to bring your claim against your financial provider even if the company which sold you the solar panels has closed down. How much can I claim?

.

Can I claim my solar panels if they go out of business?

So, if you funded your solar panels via a loan, credit agreement or by credit card, you may still be able to make a claim even if the original installers have gone out of business.

Can Lincoln green solicitors help me if my solar panels are missing?

Please note if you purchased your solar panels under the “Green Deal” scheme, or were not sold solar panels on finance by the installer, then we won’t be able to help you.
