What is DRT Aerospace?

DRT Aerospace (DRT) delivers a competitive edge that is powering success by streamlining the supply chain for global aerospace businesses. Our focus is to quickly and reliably deliver high-quality machined and fabricated complex components, kits and assemblies for engines, airframes, structures, rockets and ground-based power systems.

What does DRT do?

DRT delivers complex components, kits and assemblies that require the tightest tolerances for engines, airframes, structures, rockets, and ground-based power systems. What's more, DRT is an up-front collaborative partner who will be by your side from engineering through delivery. DRT helps streamline the supply chain.

Where is DRT Aerospace - Winsted located?

DRT Aerospace - Winsted is located at 200 Price Road, Winsted, CT 06098, USA. Other locations include DRT Precision Manufacturing at 1985 Campbell Road, Sidney, OH 45365, USA, and Hartzell Mfg. Co., LLC at 2533 Technical Drive, Miamisburg, OH 45342, USA.

Why should you choose DRT?

Our competitive edge powers your success. From GE Aviation to Space X — the most demanding Original Equipment Manufacturers (OEMs) on the planet turn to DRT. DRT delivers complex components, kits and assemblies that require the tightest tolerances for engines, airframes, structures, rockets, and ground-based power systems.

Where are DRT systems used?

The tactical deployed DRT systems are mainly used for operations in Iraq and Afghanistan, but it's very well possible that the equipment was also used at

the joint NSA-CIA Special Collection Service (SCS) unit in the US embassy in Berlin, which intercepted the mobile phone of German chancellor Merkel.
