Where can I buy a used lithium battery?

All types of lithium batteries are for sale on eBay at great prices. Can I use a used lithium battery?

While you can use used lithium batteries, it's essential to exercise caution.

Can I ship a lithium battery cross-border?

There are regulations attached to the cross-border shipping of batteries to ensure they travel safely. These regulations vary depending on the type of batteries. Lithium batteries, for example, are classified as Dangerous Goods, so not all types of lithium batteries are accepted by DHL Express which you can check here.

Can a lithium battery be transported?

While being transported, lithium batteries or any battery included in electronic devices should not move or be completely discharged. The lithium content cannot exceed 1 gram/20 Wh or 2 gram/100 Wh per battery. Batteries must be packed to protect them from heating, short circuit and to prevent any crush. Batteries must not be damaged or defective.

What items need to be shipped with lithium batteries?

For more information on shipping new or manufacturer refurbished products with lithium batteries read USPS Pub 52, Section 349. Other commonly missed items that require special packaging are perfumes, nail polish, hairspray, cleaning supplies, firearm accessories, knives, swords, lighters, auto accessories, and plants or seeds.
