

Ego multi-head system power head move the motor

Overview

There are currently seven available EGO 56V Power Head accessories or attachments plus an extension. These all fit easily onto the EGO Power+ 56V Power Head: 1. 15" Strin.

The EGO string trimmer attachment uses the same Rapid Reload head that has been made available for their 15-inch trimmer. If you have an older head on the 15-inch trimmer, you can.

Having some extra power comes in handy when the EGO Power Head gets connected to the 8" edger attachment. With it, I was able to trim up some very difficult jasmine that borders the f.

The EGO Pole Saw proved possibly the most anticipated tool in the new EGO Multi-Head Attachment System. The 56V line of tools has lacked a decent pole saw since they arrived. No.
