Batteries : 5 Lithium Metal batteries required. Looking for specific info?

Energizer cr1620 lithium battery

Energizer® 1620 Battery

Important: Coin Lithium batteries are not interchangeable. Both the diameter and thickness can vary based on the cell designation. While some device battery compartments may be sized in a way that different battery types can fit in the compartment, the capacities will vary by size. Energizer recommends that you use the cell designation specified by the manufacturer [...]
