

# **Energy storage europe exhibition**

## Overview

---

What are the International Energy Storage conferences?

The international specialist conferences, taking place in parallel, offer the world's largest conference programme on all energy storage technologies. They include the 8th Energy Storage Europe Conference (ESE) of Messe Düsseldorf and the 13th International Renewable Energy Storage Conference (IRES) of EUROSOLAR e.V.

What is the European Commission doing about energy storage?

In 2020, the European Commission published a study on energy storage, which summarized some previous studies and reports, explored current and potential energy storage markets in Europe, and set out policy and regulatory recommendations for energy storage.

What is energy storage Europe?

As part of the World of Energy Storage, Energy Storage Europe is the industry's connecting point that effortlessly brings together both regional and international developments," adds Urban Windelen, Federal Managing Director of the German Energy Storage Association (BVES). B2B orientation is strengthened through trade fair cooperations.

What is a storage exhibition?

'Storage exhibitions' refer to staged storage areas displayed within a museum's permanent collection. What is the purpose of displaying these storage spaces within a museum's collection?

I hypothesise that they are above all interpretive spaces intended to extend the dialogue between the museum and the public.

What is energy storage Europe 2020?

The focal points are economy and finance (ESE) as well as science and social

policy (IRES). In 2019, around 4.000 experts from 60 countries visited ENERGY STORAGE EUROPE. 160 exhibitors presented themselves. Energy Storage Europe 2020 will take place in Düsseldorf from the 10 th to 12 th of March.

What is EES Europe, Green Hydrogen Forum & Expo?

EES Europe with Green Hydrogen Forum&Expo is an exhibition organized by Solar Promotion GmbH, Pforzheim and Freiburg Wirtschaft Touristik und Messe GmbH & Co. KG (FWTM). It is part of the global exhibition series, which is also represented on two other continents with ees South America in São Paulo and ees Middle East in Dubai.
