

# Energy storage summit eu

## Overview

---

What is the Energy Storage Summit Central Eastern Europe?

The Energy Storage Summit Central Eastern Europe has successfully concluded, bringing together key industry stakeholders from across the region to discuss the latest trends and opportunities in energy storage.

What is the Energy Storage Summit?

Our Summit aims to highlight the fundamental role that energy storage will play in this journey, and will strive to recognise, explore and analyse key challenges that may present themselves on the trajectory ahead.

What is the 8th Energy Storage Summit?

The 8th Energy Storage Summit, Europe's largest event on energy storage innovation, investment and policy, is here to help.

When is the energy storage global conference 2024?

The seventh edition of the Energy Storage Global Conference (ESGC) will take place on 15 - 17 October 2024 in Brussels. What can you expect from the #ESGC2024?

Latest insights on energy storage policies, markets and technologies and applications. Networking opportunities during the conference, as well as during our dinner events.

When is the Energy Storage Summit 2025?

Gearing up to celebrate its 10th anniversary, the Energy Storage Summit will return to London on 17-19 February 2025, with the Intercontinental London - The O2 as its new home. workshops, an Energy Storage Academy, an after-party, private networking dinners and much more! 100+ Exhibition Stands 170+ World-Class Speakers Worldwide Audience.

Who are the delegates at the energy storage Conference?

Join us in February for the networking event of the year, bringing together over 2000 delegates from across Europe's energy storage value chain, spanning investors, developers, IPPs, banks, government and policy-makers, TSOs and DSOs, EPCs, optimisers, manufacturers, data and analytics providers, consultancies, system integrators and more.
