[S300 eufyCam 3C + Solar Panel : r/EufyCam](https://www.reddit.com/r/EufyCam)

Per Eufy, the solar panel is compatible but I suspect the S300 probably doesn't have the capacity yet to attach their solar panel and will probably have to wait until their next update. It's not a deal breaker for me to have to get out the

ladder and charge the S300 cams but that's the reason why I bought the 2 solar panels in the first place.
