

Gentech solar inverter

Overview

What is a GenTech power hybrid inverter system?

The Gentech Power Hybrid Inverter System 800W (GEN1400) is designed to provide a consistent power supply. Equipped with an 800-Watt solar hybrid inverter head and a Gentech Power Gel Battery, it ensures reliable performance. The system includes a 12-month warranty for the inverter head and a 7-day limited warranty for the battery.

How does a GenTech power 1600 watt hybrid solar & AC inverter system work?

Portable, has wheels to move from one to room to another easily. Batteries housed in a metal cabinet on castors. The Gentech Power 1600 Watt Hybrid Solar & AC Inverter System has a built in solar controller. A solar panel can be connected to the unit to charge the battery. The solar panel is NOT included.

What is a GenTech power hybrid inverter system 800W (gen1400)?

The Gentech Power Hybrid Inverter System 800W (GEN1400) is a reliable solution for uninterrupted power supply. With an 800-Watt solar hybrid inverter head and a 12-month warranty, it features a Gentech Power Gel Battery and an additional 7 days limited warranty.

Who is Gentech solar?

Gentech Solar is a leading developer in the residential, commercial, and large scale solar markets with hundreds of systems currently providing power to customers across the India. Our integrated platform includes Project Development, Engineering, Construction, Maintenance, Finance, and Asset Management.

What are the benefits of Gentech solar?

Decrease Energy Bills : More energy production means lower bills every month. Gentech Solar is a leading developer in the residential, commercial,

and large scale solar markets with hundreds of systems currently providing power to customers across the India.

Why should you choose Gentech power?

Our machines are tough, reliable, and manufactured to withstand the harsh African climate and conditions. Gentech Power offers a new 1 year product warranty against all manufacturer defects.
