

Government procurement price of commercial energy storage in Tanzania

Overview

Do firms participate in Zanzibar energy sector support project tenders?

This is based on information obtained from ZECO (Annex 1) which shows considerable level of participation of firms in the tenders floated in 2018 under Zanzibar Energy Sector Support Project financed by Sweden.

Why does ZECO have a limit time to purchase tender document?

Currently ZECO has set limit time to purchase tender document this has rectifies the said challenges. Some bidders' appeals to the public procurement authority but always ZECO come out with positive outcome because it always adhered to compliance with procurement regulations.

Is corruption in procurement a serious problem in Zanzibar?

However, reports obtained from the Zanzibar Anti-Corruption and Economic Crimes Authority (ZAECA), shows that corruption in procurement and contract management is not a very serious problem. Of all cases of corruption reported to ZAECA for 2019, only 2.6% related to procurement and contract management³.

How does ZECO secure the procurement process?

To be safe within the procurement process from submission of tender document to the awarding period, bidders are requested by ZECO to secure the process by submitting the bid security. Any default (such as refuse to sign the contract, withdrawal from the procurement process) by bidder within the process period the security will be used against him.
