

Handheld vacuum lithium ion battery

Overview

What is the best cordless handheld vacuum?

This cordless handheld vacuum's powerful suction, long battery life, and large bin make short work of tidying up around the home and in the car. The Ryobi 18V One+ Performance Hand Vacuum Kit offers powerful suction, long battery life, and a larger bin than almost any other cordless handheld vacuum we've tested.

How long does a cordless handheld vacuum last?

Many of the cordless models in our handheld vacuum ratings have longer-lasting lithium-ion batteries, and the run times for the models in our tests range from 9 to 23 minutes. A number of new models come with convenient attachments, like tools for cleaning crevices. Below, we've listed seven of our top-rated handheld vacuums in alphabetical order.

How many attachments does a 3 pound handheld vacuum have?

This 3-pound handheld vacuum comes with three pet-specific attachments for different surfaces: a motorized brush for pet hair stuck in carpets, a crevice tool for corners and tight spots, and a felt upholstery tool for furniture and other soft surfaces like pet beds and pillows.

What is a handheld vacuum?

Handheld vacuums are a diverse group, with some models designed for the awkward angles of a car's interior and others purpose-built for pulling pet hair off carpeted stairs or upholstery. Others serve as "snack vacs," allowing for the quick pickup of crumbs.

What is the lightest hand vac?

The vacuum and all its attachments can be stored on the charging base, making it a real space-saver. And at just 1.4 pounds, it's the lightest hand vac in our tests. The only downside to its small size is the small dust bin, which

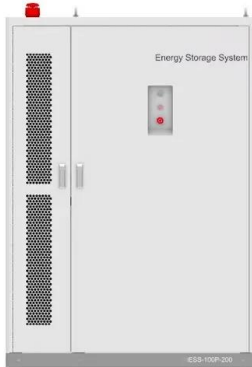

may have to be emptied more than once if you have a sizable spill.

What is the best hand vacuum kit?

We've concluded that the Ryobi 18V One+ Performance Hand Vacuum Kit is the best for most jobs. If you regularly contend with a lot of pet fur, consider the Black+Decker Dustbuster AdvancedClean+ HHVK515JP07, and if you need a machine for occasional cleanups, try the inexpensive Black+Decker Dustbuster Blast HNVD220J00.
