

Huawei photovoltaic combiner box bracket installation

Overview

Is Huawei liable for the installation of a solar inverter?

- Huawei shall not be liable for any consequences caused by the violation of the storage, transportation, installation, and operation instructions specified in this document and the user manual. Page 3Space Angle For details about the installation space when multiple solar inverters are installed, see the SUN2000-4.95KTL-JPL0 User Manual.

How to install a PV module?

Purchase the frame mounting bracket separately from Huawei. Install the PV module after the optimizer is installed. The front of the optimizer should be at least 20 mm away from the rooftop. Do not press the optimizer mounting ear against the positioning pole of the frame mounting bracket. Purchase the frame mounting bracket separately from Huawei.

What is the part number for the Smart AC combiner box?

Customer Service Contact Information SUN2000-4.95KTL-JPL0 and SmartACBox 10-In 1-Out Smart AC Combiner Box Quick Guide Issue: 02 Part Number: 31500AXJ.

What is a acbox in a grid-tied PV system?

Figure 2-1 Designation explanation System Application The ACBox applies to a low-voltage single-phase three-wire grid-tied PV system that typically consists of PV strings, grid-tied inverters, and AC combiner boxes. Figure 2-2 shows the position of the ACBox in a low-voltage single-phase three-wire grid-tied PV system.

Is Huawei liable if a smartacbox has a high voltage?

Otherwise, the high voltage of the SmartACBox may result in electric shocks. Huawei shall not be liable for any device damage caused by violation of the cable connection regulations specified in this document. Only certified

electricians are allowed to connect cables. Wear proper PPE at all time when connecting cables.

How to install a PV optimizer?

The front of the optimizer should be at least 20 mm away from the rooftop. Do not press the optimizer mounting ear against the positioning pole of the frame mounting bracket. Purchase the frame mounting bracket separately from Huawei. Install the PV module after the optimizer is installed.
