

Is the photovoltaic panel on Huangshan a scam

Overview

Is going solar a scam?

It's likely a scam. While there are some government-funded solar programs for households that qualify, "going solar" isn't free. Honest businesses will tell you exactly how much it'll cost to get and install solar panels. Here's how to steer clear of the scams: Do some research.

Are solar panels a scam or a cold call?

Here are the cold calls and potential scams to avoid. More than a third of solar PV panel owners in our recent survey told us they have been cold called about their panels in the past five years. Most cold callers were trying to sell them something unnecessary, but a few owners were told something completely untrue.

Are 'fake' solar companies a scam?

Beware of any company asking you to make a big deposit before they have completed their installation. This is one of the most common ways 'fake' solar companies have targeted consumers - whereby they take a hefty deposit and then never turn up to carry out the installation. This is common solar scam.

How do I avoid solar scams?

Here are some of our recommendations for avoiding solar scams: The saying "there's no such thing as a free lunch" applies when shopping for solar! If you see ads on social media or have a door-to-door salesperson stop by your home and share special programs that pay you to go solar, they're likely, not legitimate.

Are 'free solar panels' a scam?

Oops! We'll be right back. Sorry, something went wrong. Rest assured, we are working hard to fix the problem as soon as possible. In the meantime, try refreshing this page or visiting our homepage. If you've received an offer for

"free solar panels," it could be a scam.

How common are cold call solar panels?

See our solar panel brand reviews. This was by far the most common cold call solar panel owners told us about - 44% have been approached about this. Technical faults with solar panels are rare. Nearly seven in 10 of those in our survey have not had a fault with their system. Some have owned theirs for more than a decade.
