

Jackery 300 solar panel

Overview

What is Jackery solar generator 300?

Jackery Solar Generator 300 is the ultimate power solution for all your needs. You are not restricted by any off-grid locations, as three different recharging modes are available. The rechargeable power station can be recharged through solar panels, car adapters, or wall plugs.

What solar panel should I use for my Jackery 300?

The ideal solar panel to use for the Jackery 300 is a 100-120W solar panel. Since the Explorer 300 has an MPPT charge controller, it will do two major things for solar panel charging: My main recommendation for you is the Elecaenta 120W portable solar panel.

Which solar panels are compatible with Jackery explorer 300/500/1000/1500 power stations?

Compatible & Versatile: The Solar Panel is compatible with Jackery Explorer 300/500/1000/1500 Power Stations (sold separately), ideal for all of your off-grid camping endeavours and also unexpected power outages. The SolarSaga 100 features 1 * USB-C (5V,3A) Output Port and 1 * USB-A (5V, 2.4A) Output Port, and can charge 2 small devices directly.

What is the warranty on Jackery solar generator 300?

Solar Saga 100W: 2-year warranty + 1-year extended warranty (automatically applied when purchased from our official website) Jackery Solar Generator 300 combines Explorer 300 Portable Power Station and SolarSaga 100W and is suitable for RV, camping, and other outdoor activities.

How to charge Jackery explorer 300 portable power station?

Jackery Explorer 300 Portable Power Station can be charged using SolarSaga solar panels within 3.5 hours (0-80%). You can combine the wall outlet and USB-C PD port for faster charging. Other charging methods available include

car outlets and wall outlets.

Do all solar panels work with a Jackery portable power station?

Not all solar panels work with a Jackery portable power station. The solar panel's voltage and wattage must be within the acceptable input range listed for the Jackery. Third-party solar panels also need an 8mm connection to work with the Jackery Explorer 1000, 500, 300, 240, and 160.
