

Jolywood photovoltaic panel size specification table

Overview

Why should you choose jolywood Niwa series Topcon solar modules?

Jolywood. The company's Niwa series TOPCon products are characterized by its high power, high reliability, high bifacial rate, low degradation, low temperature coefficient and a series of advantages which are deeply praised by customers. Jolywood has delivered more than 4.1GW N-Type solar modules in more than 50 countries.

Is jolywood a reliable solar backsheet?

Jolywood. Till end of 2020, Jolywood has supplied solar backsheet to more than 125GW solar modules, its key product FFC bifacial coating backsheet sold more than 350 million sqm. Zero quality complaint during 13 years outdoor test, Jolywood now becomes one of the most reliable solar backsheet.

What is jolywood 410W bifacial double glass solar module?

Jolywood 410 W bifacial double glass module with appealing design. The bifacial halfcut double glass 410 Watt solar module is constructed with J-TOPCon cells. Data sheet for Jollywood bi-facial 410W High class PV module assembled with the bifacial halfcut glass / glass solar module in the 410 watt version is built with N-TOPCon cells.

What is the difference between jolywood and Topcon solar cells?

Customers. Jolywood has delivered more than 4.1GW N-Type solar modules in more than 50 countries. Comparing with P-type solar cells, TOPCon cells have longer lifetime, lower degradation and higher potential of efficiency.

Who is jolywood (Taizhou) solar technology company?

Jolywood (Taizhou) Solar Technology Co., Ltd., the leader in the industrialization of N-type bifacial photovoltaic cells, is the first domestic and largest professional enterprise engaged in the research and development, manufacturing and sales of high-efficiency N-type TOPCon bifacial photovoltaic

cells in the.

Does jolywood solar offer a limited warranty?

Best-in-class durability and reliability BNEF Tier One *Subject to the terms and conditions contained in the applicable Jolywood Solar Limited Warranty Statement. Also this 25 -year limited product warranty is available only for products installed and operating on residential rooftops in certain regions.
