

Kohler power systems distributors

Overview

Who are Kohler Power Systems Distributors?

To ensure continued support of customers, Kohler Power Systems, a leader in generators and energy solutions, announces the assignment of three major distributors into the territory – Buckeye Power Sales, Electrical Engineering Equipment (3E), and Nixon Power Services.

Does Kohler have a USA distributor?

Kohler Power Systems, a global leader in generators and energy solutions, announces changes to its USA distribution network. Effective March 7, 2023, Kraft Power Corporation, headquartered in Woburn, Mass., became the sole Kohler Authorized Distributor for the northeastern USA, a territory formerly covered by dual distributors.

What is Kohler® Power?

Kohler® provides power systems integration for all your applications. Even after your Kohler® Power system is installed, look to us for all your service, parts and maintenance needs.

Is Kohler a dual distributor?

Effective March 7, 2023, Kraft Power Corporation, headquartered in Woburn, Mass., became the sole Kohler Authorized Distributor for the northeastern USA, a territory formerly covered by dual distributors. Kohler expands its industry-leading KD Series™ line of industrial generators with two new models, KD700 and KD750 for 60hz markets.

Where is Kohler Power Systems based?

Kohler Power Systems ceremonially cut the ribbon on its state-of-the-art production expansion to the existing North American generator manufacturing facility in Mosel, Wisconsin.

Who are Kohler Sub-Sahara power distributors?

Sub-Sahara Power Distributors are the Sole distributor of the Kohler products for Sub Saharan Africa. Kohler is one of the world leaders in the manufacture of European generating sets, and specialises in the design of world leading standby, prime or base load diesel driven generator sets.
