

Load-bearing chopping board cabinet

Overview

How do I choose a chopping board?

Pick out a stylish wooden chopping board that can be carried from kitchen to table, or a smart breadboard with integrated crumb store to keep your counter tops clear and tidy. The entire Joseph Joseph team share their founders' enthusiasm for innovation and are passionate about bringing problem-solving solutions to as many households as possible.

What types of chopping boards are available?

Choose from small chopping boards, large chopping boards, wooden chopping boards and chopping board racks to keep your kitchen ordered and your food presentation on point. From wooden butcher blocks to colourful chopping board sets and sturdy racks, our range offers you a practical solution for all your prepping needs.

What is a regular index chopping board set?

The Regular Index Chopping Board Set is ideal to keep your countertop as neat as a pin and your cupboards ordered. Neatly organised, it holds four colour-coded, non-slip cutting boards in a tiny space that will never make your worktop look cluttered. And it keeps your cupboards free for all your other essential kitchen utensils.

Where can I find chopping boards & cutting boards?

From carving succulent roasts and tackling a weekend loaf to slicing your veggies for a delicious curry or chopping up some fruit for the kids' lunchboxes, at Lakeland you'll find an essential range of chopping boards and cutting boards.

Why should you use a chopping board?

Chopping board colours are marked with symbols to remind you to avoid cross-contamination - you can keep your raw chicken and your veggies completely

separate - while extra design features are specific for the food type - easily slice your carrots, spuds, bread or meat on a chopping board that's fit for purpose!.

What is a Joseph Joseph chopping board set?

And that's especially true with the Joseph Joseph chopping board set. The Regular Index Chopping Board Set is ideal to keep your countertop as neat as a pin and your cupboards ordered. Neatly organised, it holds four colour-coded, non-slip cutting boards in a tiny space that will never make your worktop look cluttered.
