

Monster marine lithium batteries

Overview

Is Monster Marine Lithium a good battery?

The Monster Marine Lithium is a good choice for those who use their boats frequently and for boat owners who travel a lot. Its lithium batteries have more than enough energy to keep your boat running and even help in emergency situations.

What is Monster Marine Lithium warranty?

Monster Marine Lithium's "MML" warranty consists of three Tiers as described below. Monster Marine Lithium offers an industry best 15 Year Warranty. MML 15 Year Warranty consists of Tier 1, Tier 2, & Tier 3 benefits. Prohibited Actions and exclusions (described below) apply. Free lifetime technical support & free battery analysis.

What batteries does monster Marine carry?

The Monster Marine lithium batteries we carry are perfect for keeping your boat and various onboard gear powered and ready to go for whenever that next fishing trip presents itself. We carry a wide variety of m.

Do Monster Marine 24/36v batteries have a 12v post?

No word if any of the 24/36v batteries have a 12v post for jump starting. Probably the same number of 18650 batteries, wired differently for the desired voltage. I'm not passing any judgement on the Monster Marine brand, but this video is a real eye opener, comparing 18650 batteries from several vendors.

What is the return policy for Monster Marine Lithium batteries?

Returns of opened/used batteries, chargers, accessories will incur a 20% restocking fee plus all shipping cost to and from Monster Marine Lithium Batteries. MML will not accept returns after 30 days. Cost of shipping items back to MML is the responsibility of the purchaser.

Does monster Marine charge a restocking fee?

Returns will have a 15% restocking fee plus shipping charges to and from MML applied to unopened, unused items unless approved otherwise through the warranty department. Returns of opened/used batteries, chargers, accessories will incur a 20% restocking fee plus all shipping cost to and from Monster Marine Lithium Batteries.
