What makes Omnik unique?

Omnik keeps long-term comprehensive relationship with prestigious academic institutions around the world. It has a fully reinforced R&D and management team, whose core components are the management and R&D talent returning from Germany.

Who is Omni Energy?

Incorporated in 2008, Omni Energy Ltd is a wholly owned indigenous Ghanaian company offering specialized products and boutique services in the Oil and Gas and Energy industry. Omni Energy specializes in the delivery of oilfield services to companies in the upstream petroleum sector and is a leader in the supply of commodity chemicals.

What happened to Omni Energy?

Ofgem, the energy regulator, has asked Utilita Energy to step in and look after Omni's customers as the company has ceased trading. We'll keep you updated directly throughout the transfer process but don't worry - there's nothing for you to do, and your energy supply won't be disrupted.
