

# Phocos solar inverter price

## Overview

---

Price (5kW): \$1,250Is phocos a hybrid solar inverter?

Phocos launched the Any-Grid™ Hybrid Inverter Charger Series in 2019 for use in off-grid, on-grid, and hybrid solar systems. This makes Phocos a manufacturer of hybrid solar inverters.

Where can I buy a phocos inverter?

Phocos 5kW 48 Volt 230 VAC Any-Grid Hybrid Off-Grid Inverter / Charger - PSW-H-5KW-230/48V • EcoDirect.com sells Phocos Inverters at the lowest cost. Order Online or Call Us! 888-899-3509.

Can a phocos inverter convert solar PV into AC?

The Phocos Any-Grid inverter can be set up to convert solar PV into grid AC, and feed into the grid, batteries can be added so the inverter continues to work when the grid goes down and runs in off-grid mode, or the Any-Grid inverter can be set up to provide AC with just solar panels (no grid and no batteries).

Who manufactures Phocos solar panels?

Phocos manufactures products for off-grid and hybrid solar applications worldwide. Their product range spans everything from charge controllers, inverters to DC appliances. Founded in 2000 in Ulm, Germany.

What is a phocos PSW off-grid inverter?

Any-Grid Off-Grid Inverter The Phocos PSW (Pure Sine Wave) any-grid inverter series converts DC (Direct Current) energy from solar and other renewable sources, into AC (Alternating Current) power to operate most standard appliances. These units are highly efficient and have a long lifespan to maximize their value in everyday applications.

What is a Phocos off-grid inverter?

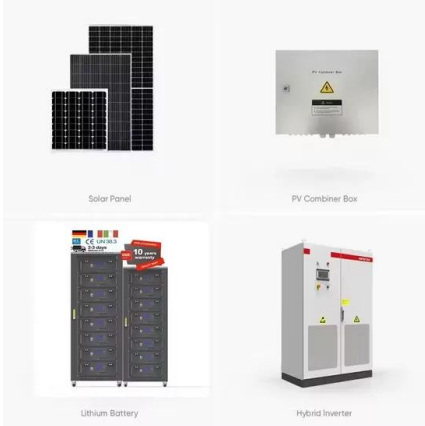

A Phocos off-grid inverter is an inverter that offers energy independence in off-grid and unstable grid conditions. Call us today for more information on our solar charger inverters.

## Phocos solar inverter price
