

# Power solo band

## Overview

---

Is PowerSolo a cult band?

“The Real Sound” is likely PowerSolo’s best known album, likely for the cult sensation that the video for their lauded number “Boom Babba Do Ba Dabba” generates on the web. This simple and surfy track and accompanying video seem to epitomize the attitude of the band in all of its aberrant attitude and esoteric nature.

Who are PowerSolo?

Danish rock & country rock band, founded in 1996 in Århus. The Railthin brothers aka Kim "Kix" Jeppesen and Bo "The Atomic Child" Jeppesen have been the essence of PowerSolo since 1998. They have released albums in Europe and in America and have toured the same territories over the last five years.

When did PowerSolo release the real sound?

PowerSolo toured with this album in 2015 in the EU, USA, and South Africa. “The Real Sound” is likely PowerSolo’s best known album, likely for the cult sensation that the video for their lauded number “Boom Babba Do Ba Dabba” generates on the web.

What genres does PowerSolo play?

POWERSOLO brings together a distinctively widespread mix of genres centered around an aforementioned mix of Garage, Punk, Rockabilly, Psychobilly, Surf, Psychedelic, Acid Rock, Blues, World Music, Country, Hard Rock, and frankly an objective list of others as well. Never a band to.

How many LPs does PowerSolo have?

Powersolo has released 8 LPs along with several EPs and singles over 15 years, with songs in over 70 Hollywood movies, many tv shows, countless video games and worldwide ad campaigns. Powersolo is based in Denmark.

When did PowerSolo start?

PowerSolo started in December of 1996 as the moniker for Kim 'Kix' Jeppesen's solo endeavors (Hank Robot). The first outing was at the reputed Aarhus venue Vestergade 58. This was a one-man show. Kim is cited as saying, "PowerSolo was just me, busking and playing apartment gigs," at the start.

### POWER METAL Mastery: 13 Epic Bands Defining the Genre

Brazilian Flair: ANGRA, a Brazilian metal juggernaut formed in 1991, has left an indelible mark on the genre with their unique blend of progressive and symphonic elements. Founded by guitarist Rafael Bittencourt, drummer Marco Antunes, and guitarist André Linhares, ANGRA rose to prominence with their debut album "Angels Cry" (1993).

### PowerSolo music, videos, stats, and photos , Last.fm

Powersolo may be a power trio, but in this case, the prog-metal acrobatics of rush are replaced with something they call "donkey punk." Two tremolo-loving chicken-scratch, rail-thin guitarists Kim Kix and Atomic Child. And drummer J.C. Benz playing his trade It

## Powersolo -- Wikipédia

Powersolo est un trio de rock et country rock danois, fondé à Århus en 1996 par le chanteur Kim Jeppesen dit « Kix », rejoint au bout de quelques semaines par son frère Bo Jeppesen dit « Atomic Child » et un batteur [1]. Le groupe acquiert une renommée
