

Registration of Photovoltaic Science and Technology Innovation Board

Overview

What is a pilot registration-based IPO system for Sci-Tech Innovation Board?

A: Under the pilot registration-based IPO system for the Sci-Tech Innovation Board, in the review for issuance and listing, the SSE will adhere to the concept of focusing on information disclosure, and urge the issuers and the intermediaries to disclose information in an authentic, accurate and complete manner.

What is Science & Technology Innovation Board?

Science and Technology Innovation Board (Sci-Tech Innovation Board) is a new trading platform in the Shanghai Stock Exchange (SSE) independent from the existing main board, focuses on companies in high-tech and strategically emerging sectors.

What is pilot registration based IPO system?

The pilot registration-based IPO system optimized the issuance conditions, which is a major reform step to simplify the listing process.

How to implement registration-based IPO system?

The registration-based IPO system shall be implemented if the M&A and reorganization on the science and technology innovation board involves the issuance of stocks. With the M&A and reorganization reported to the CSRC for registration after being reviewed and approved by the SSE, the implementation process is more efficient and convenient.

How much is China's Science & Technology Innovation Board worth?

As of July 2020, it is valued at more than US \$400 billion. On November 5, 2018, Chinese leader and CCP general secretary Xi Jinping delivered a speech, announcing that China will "launch a science and technology innovation board ('SSE STAR Market') and the pilot registration-based IPO system at the Shanghai Stock Exchange."

What are the requirements to participate in science and Technology Innovation Board?

Therefore, individual investors participating in the stock trading on the science and technology innovation board are required to have at least RMB500,000 of assets in the securities account and the fund account as well as at least 24 months of experience in securities trading.
