

Replacement solar garden light panel

Replacement solar garden light panel

Repair and maintain your solar LED garden lights

But if the problem is the solar panel itself, or the LED or your circuit board, you can also replace those items and still get your favorite garden LED lights to work again. I hope this article helped fix your favorite garden solar LED light. Next I just need to put a fresh

Replacement Solar Panel

If you like you can use our 300 LED panel with any set of 100 LED Lumify USB Solar Fairy Lights or Lumify Vintage Bulb Lights and Lumify Festoon Lights (both use the Lumify 100 LED panel). Using the 300 LED panel on these sets will more than double the amount of charge they receive versus the standard 100 LED panel that comes with those products.
