

Roboreel power cord system

Overview

What is the roboreel portable cord reel?

The RoboReel Portable Cord Reel is the world's first portable, motor-driven, electric extension cord manager. With patented technology and award-winning design, you'll have uncompromised safety, durability, and convenience at the touch of a button.

How does the roboreel power cord system work?

This portable model holds 50ft. of heavy-duty 12 gauge electrical extension cord and can operate freestanding, on a bench or table, or on a wall with an optional wall mount. A simple touch of a button, on the end of the cord or on the unit itself, and the RoboReel Power Cord System winds the cord in nice and neat every time.

How much cord does a roboreel hold?

This portable model holds 50 feet of heavy duty 12-gauge electrical extension cord and can operate freestanding, on a bench or table, or on a wall with an optional wall mount. By the touch of a button, on the end of the cord or on the unit itself, the RoboReel retracts and winds the cord in, nice and neat, every time.

How much does a roboreel cost?

Essentially, the RoboReel is a \$279 retractable extension cord, but it's a very cool \$279 retractable extension cord. Allow me to explain. Great Stuff's **RoboReel Portable Power Cord System** makes managing 50 feet of heavy-gauge power cable a breeze with its automated two-speed retraction system.

How does roboreel work?

By the touch of a button, on the end of the cord or on the unit itself, the RoboReel retracts and winds the cord in, nice and neat, every time. Free-

standing electric extension cord manager operates on a bench or on a wall with an optional mounting bracket (sold separately) We're sorry - this item is so popular, it sold out.

Is roboreel a good extension cord?

The RoboReel is one of the most advanced and manageable extension cords around, but this heavy-duty system comes with a heavy-duty price. Physically, Great Stuff's spherical RoboReel is about the size of a basketball, its bright safety-orange color completing the illusion.
