BMS Board 48V 20A 13S with on/off switch

We are using 13S 48V 20A BMS with on/off switch for battery with key controlling the battery output, or a switch button controlling the output. The BMS is designed by Super Power, best ebike battery BMS manufacturer in China. Model no. SP-R13-068-A02-M13SY

VIP-BMS,????????????????

Since 2013, Vimek and its lithium battery protection board (BMS) products have successively passed the ISO9000 quality management system, EU CE, EU ROHS American FCC, Japanese PSE and other certification, the products sell well in more than 130

Material Compliance

ABB expects suppliers to actively support ongoing efforts to manage and demonstrate product compliance with regulations such as REACH, RoHS, POPs, TSCA, WEEE, WFD, and the EU Battery directive (see below for further information on these regulations).
