SoL Energy, LLC

SoL Energy, LLC is a local solar provider based in Carbondale, CO. We have been helping our clients go solar for over 20 years. Prior to SoL Energy, our owner Ken Olson co-founded Solar Energy International, which is a company in Paonia, CO that trains then certifies individuals across the globe on how to properly install solar energy systems.

How it Works

At Sol Source Power, we specialize in developing solar farms on vacant land, including underutilized farmland. By installing solar panels in open areas, we are able to convert solar energy into electricity that is then funneled back into the local electrical grid. The
