If you consider yourself a YouTuber extraordinaire, you might be wondering if you could watch some videos and complete a DIY solar panel installation to save yourself some money on labor costs. Be aware that installing solar panels is a much trickier home.

These seven solar companies are the best solar installers in Florida, but SunPower reigns supreme for our EcoWatch rankings. SunPower has the most

efficient panels, which allows.

Who are the best solar companies in Florida?

We at the MarketWatch Guides team have researched and ranked the best solar companies in Florida and have determined that our picks for the top solar companies in Florida are SunPower, Solar Energy World, Freedom Solar and Momentum Solar.

Should I get a solar panel system in Florida?

Florida is known for abundant sunshine, making it ideal for switching to solar energy. It's also known for severe storms that knock out power, which is a good reason to have a backup power source. If you're considering getting a solar panel system, we found several well-rated companies operating in your state.

Why should you choose a solar company in Florida?

Florida features plenty of sunlight, helpful solar tax incentives, and reputable solar installation companies. Each solar company fulfills different needs for different homeowners. For example, Momentum Solar offers Florida homeowners a strong combination of solar products and installation services.

Where can I buy solar equipment in Florida?

Palmetto Solar is our pick for the best solar equipment. The company was founded in 2010 and offers installations in Florida and 18 other states. Palmetto is best for homeowners who want customized solar panel systems. You can purchase solar panels, inverters and microinverters through the company.

Are solar panels worth it in Florida?

Homeowners in Florida can take advantage of a number of federal and state incentives to lower the cost of a solar energy system and make it worth the investment. It's also worth considering that a 5-kW system in Florida can fully pay for itself in just less than 10 years, with savings reaching about \$28,000 after 20 years.

What are the best Solar Lease companies in Florida?

Plus, SunPower guarantees the energy output from the system you lease, which is an additional protection that other companies don't always provide. Sunrun is another big name you'll likely come across when researching solar leases in Florida.
