Overview

What makes Freedom Forever different from other solar companies?

We provide rooftop solar power systems for homeowners in Arizona, California, Colorado, Florida, Illinois, Nevada, and Utah. What sets Freedom Forever apart from other solar companies is our 25-year performance guarantee: We guarantee that your solar power system will meet its promised production amount for 25 years.

Does Freedom Forever solar install solar panels?

In addition to installing solar panels, Freedom Forever Solar also offers solar battery installations. Unlike many other national providers, the company does not install electric vehicle (EV) chargers or offer any other energy efficiency home improvements. We'll include some information about its add-on services below.

How does Freedom Forever work?

As a solar energy system vendor, Freedom Forever likes to keep its operations simple and divided into just three steps: solar panel installation, backup battery installation, and solar financing. Its model is very straightforward and allows the company to concentrate on efficiently installing solar panels and batteries.

Is Freedom Forever solar a scam?

Unfortunately, the negative reviews for Freedom Forever Solar outnumber the positive ones. One of the most common complaints we saw about Freedom Forever was about delays in the installation process and long periods of no communication, sometimes to the point of customers calling the company a scam and urging others to stay away.

Does Freedom Forever solar offer a warranty?

This section will discuss the company's production guarantee, product

warranties, and workmanship warranty. Freedom Forever Solar provides a 25-year production guarantee for their solar power systems.

Does Freedom Forever solar offer a 25-year production guarantee?

Freedom Forever Solar provides a 25-year production guarantee for their solar power systems. This guarantee ensures that your solar system will continue to generate a certain amount of electricity, as specified in your agreement, for 25 years.
