According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Charleston, SC are Olympus Home, ESD Solar, Firefly Solar & Roofing, Sunshine Saves Inc., and Southeast Energy Solutions How many solar companies are in Charleston, SC?

.

Why do you need a solar energy company in Charleston SC?

Even better, solar helps protect the environment by avoiding the use of fossil fuels to generate your electricity. Set up a consultation at your home or business in Charleston, SC today with the area's foremost solar energy company. WHY GO SOLAR?

There are plenty of good reasons to make the switch to solar power.

How much does solar cost in Charleston SC?

The average price per watt of solar power in Charleston, SC is \$2.48/W. These prices are before incentives. After the federal solar tax credit, the final cost will drop by 30%, down to \$20,640 for a 11.89 kW system. Many states even offer local rebates and incentives that lower the price further--sometimes by thousands of dollars.

Are solar panels a good investment in Charleston?

You can go with a local Charleston solar company or choose a reputable national brand. Even though solar panels are a significant upfront investment, you can lower your energy bills over the long term. The U.S. Energy Information Administration (EIA) reports that switching to solar energy enables Charleston homeowners to save about \$1,900 per year.

How many people are in a Charleston Solar System?

On average, most Charleston households consist of three people, so some solar companies may use this number to gauge how much power you need. Solar companies offer different warranties on their products and services, but you can find some common themes among the most prominent companies.

How do I find the best solar installer in Charleston?

By identifying what's most important to you and communicating that to each potential installer you speak with, you can find the best solar installer in Charleston. Here are some other tips for choosing the best solar installation company to meet your needs. Don't be afraid to shop around for the right price for your panels.
