Solar flower: The complete SmartFlower product review

The Smartflower solar flower is an all-in-one ground-mounted solar system with a tracker that follows the sun. However, it doesn't look like the solar panels you might be used to. Learn all about the product, how it compares to other solar options, and whether you should consider one for your home in our Smartflower solar review.

Solar Power Perfume

Bathed in brilliance, Solar Power is a golden floral musk composition that exudes the sensuality of salty, sun-kissed skin. Opening with a sparkling burst of bold citrus notes of Bergamot and Red Mandarin, Solar Power is illuminated by a warm solar floral accord of Neroli, Jasmine, and Orange Flower and wrapped in a comforting blend of Musk, Driftwood, and Sea Salt.
