

Solar generator brand list

Overview

What are the best solar generator brands?

To ensure you're getting a high-quality solar generator, look for trusted brands that make well-reviewed products. Some of the brands that are well known for making solar generators include Jackery, ROCKPALS, Renogy, BLUETTI, EF Ecoflow, Goal Zero, Kohler, Titan Solar and Flashfish. [What Are The Benefits of a Solar Generator?](#)

.

What is the best solar generator for appliances?

Best Solar Generator for Most Appliances: Bluetti AC200L If you want a solar generator that can power appliances whether it's at home, in your RV, offgrid or anywhere else, our top pick is the Bluetti AC200L.

Which solar generator should I buy?

Anker is another leader in the backup power space, and the Anker 757 solar generator is the model I recommend to friends and family who are looking for top value. It impressed our testers with its smart design, solid construction and competitive pricing.

How much does a solar generator cost?

The solar generators on this list span a wide range of budgets, from a few hundred dollars to a few thousand. They span several use cases, from camping to a backup for your home. Only you know all the factors that make one of these the best solar generator for you, but we think that one of these will get the job done.

What is a solar generator?

Solar generators are smaller-scale versions of whole-house solar panels and batteries. Portable power stations have been available for a while now and

using home solar panels to charge on the go is the next logical step. Combine portable power stations with portable solar panels and you have yourself a solar generator.

What is a good portable solar generator?

If you want a portable solar generator that can power most appliances, the Jackery Explorer 2000 Pro is a good pick. It comes with a built-in 2200W inverter, meaning it can power most household appliances including a full size refrigerator, TV, blender and others. You can also run power tools off the 2000 Pro.
