

# Solar panels grape solar

## Overview

---

Grape Solar manufactures a full line of solar photovoltaic modules for a variety of applications. Grape Solar's special offering of the 180w made in the USA solar module is the highest efficiency 36 cell solar module available in consumer market.

## Solar panels grape solar

---

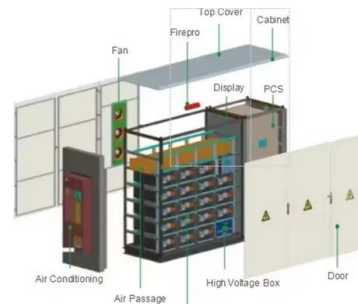

### [200-Watt Off-Grid Solar Panel Kit](#)

Add up to 2 additional panels for more power. The system provides 600-Watt Hours or 50 Amp Hours of charge per average day. Compatible with deep cycle batteries including lithium-ion. The kit Includes: 1 Grape Solar GS-Star-200W 200-Watt monocrystalline

### Grid-Tied Systems

Grape Solar will help size your grid-tied/interactive solar system before referring a certified PV installer to provide installation services in your area. GRID-TIED These systems are tied to the utility grid through a two-way AC meter typically installed for residential, commercial, or utility applications and do NOT provide back-up power in the event of an outage.

### Are Grape Solar panels the best solar panels to buy?

Grape Solar is listed as a company that works with you in determining the best solar based on how much electricity your house uses. I contacted Grape Solar directly. They ...

### Grape Solar, Inc.

Grape Solar is the low cost leader in providing high quality solar panels. We are headquartered in Eugene Oregon. Specialties 10W to 410W modules and many sizes in between, Polycrystalline

### Panels - Grape Solar

Panels Racking Cables & Accessories Portable Power Controllers Inverters Company About Grape Solar About CEO Ocean Yuan In The Press Investors FAQ Contact Send A Message Request A Quote Panels Showing all 7 results

### [Grape Solar GS-MPPT-ZENITH Series](#)

The Grape Solar Zenith series MPPT charge controllers have these features: o By continuously checking solar panel power output changes, the Zenith controllers employ multiple MPPT charge algorithms in combination to boost charging efficiency in different weather and temperature conditions.

### 100W (12V) - Grape Solar

High efficiency Solar cells (over 21.5%) with quality silicon material for high module conversion efficiency and long term output stability and reliability. Virtually maintenance free. Ideal for RV's, cabins, sheds, remote locations and other small power generation needs. Pallet Quantity: 36 pieces per pallet. Individually packaged using the best packaging materials, perfect for parcel ...

### Grape Solar Panels Review: Buying Power From Home Depot ...

Grape Solar is an Oregon-based solar panel maker offering a new solar energy options brand, portable solar panels, and DIY installation kits. While Grape Solar has just been in the building ...

### Grape Solar 50-Watt Off-Grid Solar Panel Kit GS-50-KIT

The kit Includes: 1-Piece Grape Solar GS-Star-50W 50-Watt mono-crystalline solar panel, a 340-Watt Grape Solar PWM charge controller with USB output and DC load control, cables and manual. Highlights Monocrystalline panel with anodized aluminum frames and tempered glass for outdoor use and superior performance

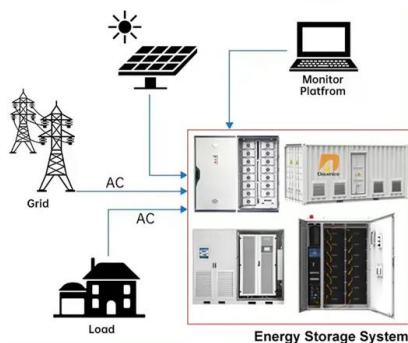

### [Grape Solar 370 Watt Solar Panel](#)

Grape Solar's 370 Watt monocrystalline solar panel is a sleek, high efficiency module ideal for any large or small residential or commercial system. Long term output stability and reliability. Cell Orientation: 120 (6x20) Safety Class: Class ...

### DISTRIBUTED PV GENERATION + ESS

### Grape Solar Products

Grape Solar 370W 24V Mono Solar Panel (Black) , GS-M120-370W-FAB1 The Grape Solar 370W High Efficiency Monocrystalline PV Solar Panels use high efficiency solar cells \$200.00 \$165.00 Calculating Price Per Watt Add to Cart Sale Grape Solar 100W

## Cables & Accessories

Grape Solar offers a wide variety of PV cabling and off-grid system accessories. From protective fuses and cable extensions to branch connectors and mounting solutions, we have what you need. Not finding what you are looking for? Contact us today and a Grape Solar customer representative will assist you.

### 200W (12V) - Grape Solar

The Grape Solar 200-Watt Monocrystalline PV Solar Panel use high efficiency solar cells with high module conversion efficiency and long term output reliability. Virtually maintenance free. Ideal for RV's, cabins, sheds, remote locations and other small power generation needs. Pallet Quantity: 17 pieces per pallet. Individually packaged using the best packaging materials, ...

### [50W-Flexible \(12V\) - Grape Solar](#)

Grape Solar 50-Watt monocrystalline Flex panels utilize advanced technology back contact monocrystalline cells laminated into a flexible plastic sheet. The result is a panel far more rugged than the traditional glass and aluminum modules with the twice the efficiency (approximately 20%) of flexible thin film panels. The plastic back sheet can be curved up to a 15 arc and mounted on ...

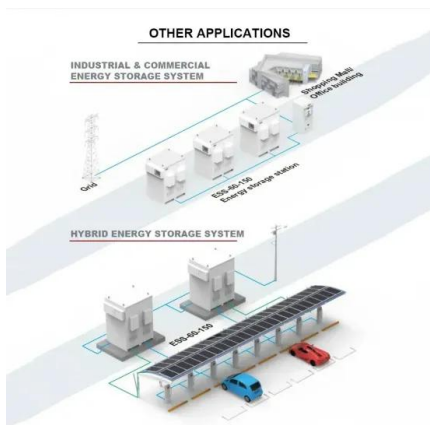

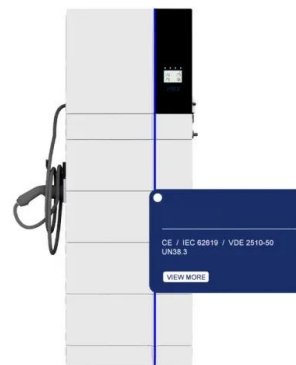

### [100-Watt Basic Off-Grid Solar Panel Kit](#)

About This Product The Grape Solar 100-Watt Basic Off-Grid Solar Panel Kit is ideal for a variety of DC applications, including RVs, boats, 12-Volt battery charging, and LED lights. Made with high efficiency mono-crystalline solar cells for years of service, this solar

### [370-Watt Monocrystalline Solar Panel \(4-Pack\)](#)

The Grape Solar 370-Watt Mono-crystalline PV Solar Panel bonus pack bundles 4 Grape Solar 370-Watt solar panels for extra savings. The Grape Solar 370-Watt Monocrystalline PV Solar Panel uses high efficiency solar cells made from quality silicon material for high module conversion efficiency, long-term output stability and reliability.

### **Should you buy Grape Solar panels from Costco or Home Depot?**

Installing solar panels is fast becoming a home improvement project that any homeowner can take on. Now that you can buy solar panels at Costco and Home Depot, you may even be considering installing a home solar energy system yourself. One of the most popular DIY options is to purchase a solar panel kit from Grape Solar, an Oregon-based solar panel ...

### [THREE Choices for 200W Panels](#)

The Grape Solar 200-Watt Monocrystalline PV Solar Panel use high efficiency solar cells with high module conversion efficiency and long term output reliability. Virtually maintenance free. Ideal for RV's, cabins, sheds, remote locations and other small power generation needs.

### FAQ - Grape Solar

charge the battery systems. Theoretically all Grape Solar panels are compatible with 12V, 24V and 48V battery systems. 2. How much energy can a 100W panel harvest? By definition, a panel rated 100 watts can harvest 100WH of energy each hour, or

### 600-Watt Off-Grid Solar Kit with AC Inverter - Grape Solar

The Grape Solar 600-Watt Off-Grid Solar Panel Kit is ideal for a variety of applications, including RVs, boats, 12-Volt battery charging, small pumps, charging small electronic devices and operating LED lights. Made with high efficiency solar cells with high module conversion efficiency and long-term output reliability, this solar kit is easy to install and virtually maintenance-free. An

### Grape Solar 100-Watt Monocrystalline Solar Panel for

I made 3 portable cases out of 6 grape solar 100 watt panels and hooked them up to two 40 amp pwm grape solar controllers. Then built a 6V 245 AH x2 12v in series then tied 3 in parallel totaling 735 AH 12v bank. Hooked up a 6,000 watt 12,000 watt max I put

### **Grape Solar 100W Monocrystalline Solar Panel (GS-STAR-100W)**

Grape Solar 1-Module 31.89-in x 28.15-in 100-Watt Solar Panel Affordable, convenient, and clean power for off-grid applications Theoretical capability of collecting 400 WH, or 33.3 AH (for a 12 V battery) of energy in 4 hours under direct sunlight

### **100-Watt Off-Grid Waterproof Solar Charging Kit - Grape Solar**

The Grape Solar 100-Watt IP68 Off-Grid Solar Charging Kit is ideal for 12-Volt battery charging and a variety of DC applications, including RVs, boats, and LED lights. Made with high efficiency crystalline solar cells for years of service, this solar kit is easy to install and virtually maintenance free. An anodized aluminum frame and a sealed junction box make the panel weatherproof for

### **Contact - Grape Solar**

Grape Solar's professional customer service representatives welcome inquiries from all levels of solar expertise. When inquiring, please leave as much information as possible and a customer service representative will contact you within 2 business days.

### Grape Solar 100W Monocrystalline Solar Panel For RV's, Boats ...

Overview Grape Solar 100W Monocrystalline Solar Panel For RV's, Boats and 12V Systems , GS-STAR-100W Key Features: Grape Solar 1-Module 31.89-in x 28.15-in 100-Watt Solar Panel Provides affordable, convenient, and clean power for off-grid applications Theoretical capability of collecting 400 WH, or 33.3 AH (for a 12 V

### Controllers

Grape Solar offers a wide variety of charge controller solutions for 12, 24, 36, and 48V deep-cycle battery banks. We offer Pulse Width Modulation (PWM) and Maximum Power Point Tracking (MPPT) type solar charge controllers. Need help identifying your solar

### ESS

### [A Complete Review Of Grape Solar Panels](#)

Grape Solar manufactures a full line of solar photovoltaic modules for a variety of on grid and off grid applications. Grape Solar's special offering of the 180w made in the USA solar module is the highest efficiency 36 cell solar module available in consumer market.

### Grape Solar GS-STAR-100W Polycrystalline Solar Panel, 100-watt

Grape Solar 100 Watt Solar Panel The Grape Solar 100 Watt Solar Panel is the most cost effective module in its class. This panel is designed to be used as a battery charger when operated in conjunction with a Charge Controller. The use of a Charge Controller

### 370W (24V) - Grape Solar

The Grape Solar 370-Watt High Efficiency Monocrystalline PV Solar Panels use high efficiency solar cells made from quality silicon material for high module conversion efficiency, long-term output stability and reliability. Virtually maintenance free. High transmittance, low iron tempered glass for durability and enhanced impact resistance. For bulk order only - Pallet Quantity: 31 ...
