

# **Solar power festoon lights**

## Overview

---

What are solar festoon lights?

Solar festoon lights are a perfect addition to your garden. Each outdoor lighting set is self-sustaining mean its solar panel will make the most of the daylight rays to power the led solar lighting set.

What are solar string lights & battery festoons?

Solar string lights and battery festoons are the perfect way to light up your space without having any worries. Enhance your garden with durable and beautiful outdoor solar festoon lights. Festoon Lighting provides a fantastic collection of solar outdoor lights. Order yours online today.

Are solar festoon lights waterproof?

☐IP44 Waterproof Design☐Crafted from durable ABS material, this solar festoon lights outdoor holds an IP44 waterproof rating, ensuring resilience against diverse weather conditions for prolonged outdoor use and longevity.

Are festoon lights battery powered?

There are battery-powered festoon lights available but our advice is to go for the solar or mains powered if you're looking for a more permanent solution and make sure they have replaceable screw fit light bulbs so you can easily replace rather than remove the whole thing.

What are vintage solar festoon garden lights?

Vintage-inspired solar festoon garden lights add a touch of classic charm to any outdoor space. They come in a range of styles and designs, including clear or frosted globes, and are often designed to mimic the look of traditional incandescent light bulbs.

What are outdoor festoon lights?

Our outdoor festoon lights feature everything from bright, colour-changing lights to more subtle single glows that are perfect for setting the mood once the sun goes down. So, skip the fairy lights this year and shop our festoon lighting instead, we've got just the lights to help make your outdoor space shine.
