

Solar power lights for outdoor use

Overview

Are solar powered garden lights a good choice?

An eye-catching and energy-savvy choice, solar powered garden lighting is the smart way to illuminate your outdoor space. What's more, solar lanterns and lights are easy to install, with no need for unattractive wiring or outdoor plug sockets.

What are the different types of solar powered lighting products?

Our range of solar lighting products include smaller fairy lights and outdoor string lights, stake lights, lampposts and even novelty themed lights. So, if you're looking for a subtle twinkle, or need to illuminate a pathway, then we will have the perfect solar powered lighting solution for you.

What types of outdoor lights are available?

From solar tree lights to blend in with the foliage to solar stake lights to light up your pathways, you'll find some amazing options in our range. When it comes to garden decoration, you can't go wrong with our collection of outdoor lighting.

Why should you choose decorative solar lights for your garden?

Explore our beautiful range of decorative solar lights to add some fun and character to your garden. Garden lighting is a must so you can enjoy spending time in your garden after dark during the warmer months, and it can go a long way towards creating the desired ambience in your outdoor space.

What are the best outdoor solar lights?

For an affordable lighting option that adds ambience to your outdoor space, we recommend the 33-foot-long Brightown Outdoor Solar string lights. Available in seven colors (we tested white), these fairy lights survived all of our durability tests and were easy to install, with only two stakes needed for the solar panels.

Are solar garden lights easy to install?

Solar lights for the garden come in all shapes and sizes, from decorative lanterns and string lights to practical solar wall lights. With easy installation and no need for mains wiring, simply position your solar garden lighting where desired and let the sun get to work. How Long Do Solar Garden Lights Last?
