

# The solid surface company

## Overview

---

Solid surface is a non-porous low-maintenance material used for surfaces such as countertops. It can mimic the appearance of , , , and other naturally occurring materials, and can be joined nearly invisibly by a trained craftsman. Typically manufactured in sheet form for fabrication into finished countertops, solid surface can also be cast into a variety of shapes, including , pans and . Sheet goods can also be heated and bent into three-di.

Who makes solid surface?

Solid surface was first introduced by DuPont in 1967 under the name of Corian. Since the expiration of their patent other manufacturers have entered the market with their own branded products. These include Hi-Macs by LX Hausys, Hanex Solid Surface by Hyundai L&C, Staron by Lotte Chemical and Velstone.

What is a solid surface?

Solid surface is a non-porous low-maintenance material used for surfaces such as countertops. It can mimic the appearance of granite, marble, stone, and other naturally occurring materials, and can be joined nearly invisibly by a trained craftsman.

Which brands use solid surface?

These include Hi-Macs by LX Hausys, Hanex Solid Surface by Hyundai L&C, Staron by Lotte Chemical and Velstone. Solid surface is a non-porous low-maintenance material used for surfaces such as countertops.

How is solid surface made?

Solid surface is manufactured by mixing acrylic, epoxide or polyester resin with powdered bauxite filler and pigments. The material chemically cures and is heated to 60 °C or more. Cured material is then cut in sheets or shapes and sanded on one or both sides depending the brand used.

What is a solid surface countertop?

Solid surface is a man-made material usually composed of a combination of alumina trihydrate (ATH), acrylic, epoxy or polyester resins and pigments. It is most frequently used for seamless countertop installations. Solid surface was first introduced by DuPont in 1967 under the name of Corian.

Which is the best Chinese quartz countertop & solid surface manufacturer?

Opaly quartz is the best chinese quartz countertops & Solid surface manufacturer of Chinese Quartz Stone Slabs, Solid Surface, Sinks & Bathtubs. 100% Acrylic solid surface in Foshan China.
